

**IMPARTIAL ANALYSIS OF TRINITY COUNTY COUNSEL
FOR FORMATION OF TRINITY LIFE SUPPORT
COMMUNITY SERVICES DISTRICT**

Measure H

The proposed special district is being formed to continue the operation of an Advanced Life Support ambulance service in an efficient and accountable manner in the proposed district boundaries. The proposed special district services will not conflict with or overlap other local agencies. The proposed district has a population of approximately 10,000 people. The proposed special district will ensure 24-7 ambulance service in the district, consistent with current staffing and shifts, and prevent cuts or elimination of local life-support ambulance service.

The special district will be named "Trinity Life Support Community Services District."

The special district will be governed by a five (5) members of the board of directors, each of whom must be a registered voter residing in the district. The board of directors will be elected at-large and serve a four (4) year term, with the exception of the initial board.

The district will be authorized to provide advanced life support ambulance services in the same manner as a fire protection district, including related emergency medical response, training, community outreach, and educational programs.

This measure will pass if one-half of the registered voters within the proposed district boundaries cast a "Yes" vote.

The formation of the special district for continued ambulance service is conditioned upon voter approval of a special tax that will provide the necessary supplemental funding to provide for continued advanced life support ambulance services. This ballot measure, identified as Measure H, appears on this same ballot.

The above statement is an impartial analysis of Measure H. If you desire a copy of the measure, please call the elections official's office at (530) 623-1220 and a copy will be mailed or faxed to you at no cost.
