

**IMPARTIAL ANALYSIS BY TRINITY COUNTY COUNSEL OF COFFEE CREEK
VOLUNTEER FIRE DISTRICT (CCVFD) RESOLUTION TO REDUCE THE NUMBER
OF DIRECTORS**

Measure J

This is a question to be submitted to Trinity County voters to determine whether or not to reduce the number of Directors serving on the Board for The Coffee Creek Volunteer Fire District (CCVFD).

A “YES” vote would change the number of Directors from nine (9) to five (5).

A “NO” vote would maintain the current requirement for nine Directors.

The CCVFD was formed in 2004 with a Board of Directors consisting of nine (9) members elected at large from within the District. Since that time, and because of the rural nature of the District, there has been difficulty in filling vacancies on the Board. Therefore, the CCVFD prepared a resolution to reduce the number of Directors in order to maintain a quorum and enable the Board’s functioning.

If passed, the current members of the CCVFD Board will continue to serve until the end of their current terms.

This question must be approved by a majority of the voters voting on it, within the territory for which the election is held, to become effective.

The above statement is an impartial analysis of the CCVFD resolution. If you desire a copy of the resolution, please call the Trinity County elections official’s office at 530-623-1220 and a copy will be faxed or mailed at no cost to you.
