NOTICE OF RECEIPT

STATE WATER RESOURCES CONTROL BOARD ORDER WQ 2017-0023-DWQ GENERAL WASTE DISCHARGE REQUIREMENTS AND WAIVER OF WASTE DISCHARGE REQUIREMENTS FOR DISCHARGES OF WASTE ASSOCIATED WITH CANNABIS CULTIVATION ACTIVITIES

Your application for coverage under the Cannabis General Order has been received.

Your application for Forest Farms located at Your Address (Trinity County) will be processed as a Tier 1 Low Risk site **with an application fee due**.

CDFA License

For dischargers seeking a cultivation license from CDFA, this Notice of Receipt is insufficient. Upon payment of your application fee (see Fee Payment section) and submittal of Native American tribal authorization (if needed; see Native American Tribe Authorization section below), you will receive a separate Notice to be used for obtaining a CDFA license.

Fee Payment

Within 30 calendar days of submitting your application, you must pay an application fee in order for your application to be complete. To determine your application fee, please visit <http://www.waterboards.ca.gov/resources/fees/> and click on the latest Water Quality Fee Schedule (for example, for fiscal year 2017-2018, the fee schedule is called "FY 2017-18 Water Quality Fee Schedule"). Section 2200.7, "Annual Fee Schedule for Cannabis Cultivation" includes the latest fees.

Your fee category is: **Tier 1 Low Risk**

The application fee can be paid using electronic funds transfer, a check, money order, or cashier check.

- If you are paying via electronic funds transfer, visit the following website: http://www.waterboards.ca.gov/make_a_payment/. Include your Fee Payment Application Number when submitting your payment. Your Fee Payment Application Number can be found at the top right-hand corner of this Notice.
- If you are paying with a check, money order, or cashier check, make the check payable to the "State Water Resources Control Board", write the Fee Payment Application Number on the check, money order, or cashier check, and submit the payment to the following address:
State Water Resources Control Board
ATTN: Water Quality Fees - Cannabis General Order
PO Box 1888
Sacramento, CA 95812-1888.

Instructions for Paying Application Fees by Cash:

All cash payments must be submitted directly to the State Water Resources Control Board (State Water Board), not the Regional Water Quality Control Board. The State Water Board prefers that payments be made by check or money order. Money orders are available in large denominations (up to \$1,000) at many local retail outlets and post offices across California and, if used, will expedite the enrollment process. The State Water Board is able to accept cash payments at its downtown Sacramento location. Cash payments, however, will require additional time and an appointment with the State Water Board Sacramento office. A delay in enrollment due to the need for a

cash payment is not an excuse for non-compliance with applicable enrollment requirements. To schedule an appointment to make a cash payment, please call (916) 341-5021.

Notice of Receipt and Invoice for Cannabis Small Irrigation Use Registration

Registration ID: N/A

Based on the response provided for your cannabis cultivation water source, you do not need to file for a Small Irrigation Use Registration. You may use your existing water source for cannabis cultivation. Be aware - you may still need coverage under the Cannabis General Order. Even if you do not need a water right for your project, you are still required to comply with the Cannabis Cultivation Policy and all other state and local requirements that pertain to your water source. The Cannabis Cultivation Policy has additional requirements for your diversions including groundwater wells, and discharges.

If you feel you have reached this page in error, please contact the Cannabis Registration Program at Cannabisreg@waterboards.ca.gov or 916-319-9427.
