Dear Trinity County Employee Survivor,

Trinity County was notified by Delta Dental (our dental insurance carrier) that the County is in violation of our contract with the carrier. The County's Agreement with its employees does not include the continuation of the survivor's dental benefits after the retiree of Trinity County (the primary insured) has passed away. As a result, we are required to discontinue your dental benefits effective May 1, 2024. Enclosed is information regarding COBRA insurance if you wish to sign up to continue your insurance at your own expense.

We want to assure you that this, in no way, will affect your medical benefits. This just relates to dental benefits.

If you have any questions, please feel free to contact me during our regular office hours.

Respectfully,

AshleyAnne Moore
