Press Release
COVID-19 Testing

Weaverville, CA – The State of California has partnered with OptumServe to provide COVID-19 testing each Saturday from 8:00AM to 4:00PM at the Trinity County Library in Weaverville. These are walk-in clinics, not drive-thru, and by Appointment Only.

Same day registration is available until appointment slots are filled and testing is available for all ages.

In order to keep this community testing site in Trinity County, we must maintain a threshold of at least 105 tests per week. We served 31 individuals at our first event.

Residents are strongly encouraged to register for testing in order to help us maintain testing sites in Trinity County.

For more information, go to the Trinity County website at https://www.trinitycounty.org or visit the Centers for Disease Control (CDC) website at https://www.cdc.gov. For more information on the services OptumServe provides go to http://www.optumserve.com.
