Always verify your contractor is licensed with the State of California at:

<https://www.cslb.ca.gov/OnlineServices/CheckLicense/CheckLicense.aspx>

- **\* If a license is inactive or under suspension for the following reasons:**
- License is under Contractors Bond Suspension and may be deemed inactive. A contractor's bond may have been received by the Board but not yet processed. Once the bond is processed the suspension will be lifted retroactively to the effective date of the bond. Ask the contractor for proof of a contractor's bond and contact the bonding company to verify bond status.
