Diagram below the work proposed in your application for a grading permit. Distance and direction to nearest landmark and/or intersection must be shown on your diagram.

To avoid any delay in the processing of your application, please stake and flag location of grading for the field review.

In accordance with the provision of County Ordinance No. 379 and 1100, the applicant hereby applies for permission to excavate, fill and/or otherwise construct in decomposed granite material. Applicant will state accurately, in the spaces provided above and below, the nature and location of the work he/she desires to do and agrees to do the work in accordance to the General provisions attached to the ensuing Grading Permit. (Construct cuts, fills, install pipe, etc.)
