### **PRESS RELEASE**

#### **HELENA FIRE RECOVERY PUBLIC MEETING – DEBRIS REMOVAL**

Junction City Elementary School  
430 Red Hill Road  
Thursday, September 21, 2017 at 6:00 pm

Trinity County and CalOES together will discuss the steps involved in the recovery process and what to expect as we move forward in rebuilding our community. The first big step is removal of burn debris, which will be facilitated by CalRecycle. They will be here to explain how it works, what you need to do to get the help, and how it is coordinated at no cost through insurance or covered by the CalRecycle program.

Cal OES will have trained staff that can provide technical assistance, knowledge and experience in order to help applicants maximize disaster funding and speed recovery in the affected areas.
