PETITION IN LIEU OF FILING FEE

This is a form generally utilized by candidates who wish to gather signatures instead of paying the full filing fee. Petitions may be circulated only amongst the voters within the candidate’s election jurisdiction. Each signature has a predetermined value as calculated. These signatures can then be applied to the reduction of, or waiver of, the filing fee for that elective office.

For offices requiring a filing fee, if the number of registered voters in the district in which he or she seeks nomination is 2,000 or more, a candidate may submit a petition containing three signatures of registered voters for each dollar of the filing fee, or 7 percent of the total registered voters in the district in which he/she seeks nomination, whichever is less. If the number of registered voters in the district in which he or she seeks nomination is less than 2,000, a candidate may submit a petition containing three signatures of registered voters for each dollar of the filing fee, or 14 percent of the total of registered voters in the district in which he/she seeks nomination, whichever is less.

Election Code §8106 (a) (4) (5)

NOTE: A candidate is issued one form to use as a master. He/she is to reproduce the necessary number of copies at his/her own expense. Copies or reproduced signatures are not valid.

Petition Circulation Dates
For circulation dates, see the Summary Information page.

No Fee
No fee or charge shall be made or collected by any officer for verifying any Nomination Document or Circulator’s affidavit.

Election Code §8080

Voters may only sign once
If a voter signs more candidates’ petitions than there are offices to be filled, the voter’s signatures shall be valid only on those petitions that, taken in the order they were filed, do not exceed the number of offices to be filled.

Election Code §8106 (b) (2)

Receipt
Upon the receipt of an executed Petition In lieu of Filing Fee, the County Elections Official shall give the person delivering the document a receipt, properly dated, indicating that the document was delivered to the County Elections Official.

Election Code §8020 (c)
TIPS REGARDING PETITION SIGNERS AND CIRCULATORS

✓ Signers must print their physical residence address. All addresses other than residence, including PO Boxes, will be marked “Insufficient Address” and will be considered invalid. If no residence address is indicated on the petition, the signature will be considered invalid.

✓ Signers must print their name and residence address clearly. Many times, a signature cannot be considered valid because the Elections Official cannot read the name and/or the residence address.

✓ Signers must be a resident and registered to vote in the same jurisdiction as the candidate for whom the petition is being circulated.

✓ No pre-printed addresses for the signers or circulators are acceptable nor are any pre-printed circulation dates. These must be handwritten by the signers or circulators.

✓ Be aware of the signing deadline for the petition. Any petition filed after the given deadline cannot be counted.

✓ If a person registers to vote the day of signing the petition, verify that their registration card is complete. There are instances when missing information on the registration card invalidates the signature on the petition because a person is not legally registered to vote until all the required information on the registration card is supplied and signed.

✓ Circulator must be 18 years of age or older.

✓ The Affidavit of Circulator must be completed and signed on any type of petition. An incomplete or unsigned Affidavit of Circulator could invalidate all signatures on the petition page.

Note to Circulator: If you check the petition over and find that a signature is not going to count for any reason and you do not want it to be on the petition, boldly line out that signature and address.

If, however, through miscalculation or otherwise, more signers are secured than the maximum number, the candidate may withdraw the excess number. If a candidate submits a Petition In Lieu of Filing Fee, any or all signatures appearing on the petition, which would be valid, can be counted towards the number of voters required to sign a Nomination Paper. The candidate must request from the Elections Official to apply the signatures towards their Nomination Paper signatures.

CAMPAIGN DISCLOSURE FORMS

The Political Reform Act of 1974 requires all candidates for state and local elective offices, all state and local elected officeholders, proponents of state and local ballot measures who control a ballot measure committee, and committees supporting or opposing state and local candidates, and all measure and petition circulation committees, to file campaign disclosure statements disclosing contributions received and expenditures made.

It is the responsibility of the candidate and/or committee to be aware of and to file the required campaign disclosure statements in a correct and timely manner. If a candidate and/or committee with campaign disclosure obligations and requirements fail to file within the specified deadlines, the non-receipt of a reminder notice may not be utilized (or rationalized) as the reason for late or non-filing.

Before accepting any contributions or making expenditures toward a campaign, it is vital that you obtain the correct forms required by law for reporting campaign contributions and expenditures. Failure to file could lead to fines and/or civil or criminal penalties.

It is necessary to review the “Campaign Disclosure Manual” pertaining to the type of office you are seeking. These manuals will have important information regarding who is required to file, when you are required to file, where to file and which forms to use. These manuals also cover what information is required to be disclosed and how to report that disclosure on the forms. These manuals are available from the Fair Political Practices Commission.

FPPC form 700 - Statement of Economic Interests
A candidate running for local elective offices that are designated in the conflict of interest code.

FPPC Form 501 - Candidate Intention Statement

FPPC Form 460 – Recipient Committee Campaign Statement
A candidate or officeholder who has a controlled committee and plans on raising or spending $2,000 or more during a calendar year. The form 460 is also required if $2,000 or more will be raised or spent during the calendar year at the behest of the officeholder or candidate.

FPPC Form 470 - Officeholder and Candidate Campaign Statement - Short form and Form 470 Supplement
A candidate or officeholder who does not have a controlled committee and does not anticipate spending or receiving contributions totaling $2,000 or more during the calendar year.

Campaign disclosure forms and information manuals are available from the Fair Political Practices Commission on their website www.fppc.ca.gov. For any questions regarding FPPC forms email advice@fppc.ca.gov or call 1-866-ASK-FPPC (1-866-275-3772).

CODE OF FAIR CAMPAIGN PRACTICES

It is the ultimate intent of the Legislature that every candidate for public office in this state who subscribes to the Code of Fair Campaign Practices will follow the basic principles of decency, honesty, and fair play in order that, after vigorously contested, but fairly conducted campaigns, the citizens of this state may exercise their constitutional right to vote, free from dishonest and unethical practices which tend to prevent the full and free expression of the will of the voters. The purpose in creating the Code of Fair Campaign Practices is to give voters guidelines in determining fair play and to encourage candidates to discuss issues instead of untruths or distortions.

Election Code §20400
CAMPAIGN LITERATURE

Candidates should not distribute or mail campaign literature telling the voter where his/her polling place is located. It is confusing and a disservice to the voter if polling place changes occur in the last few weeks prior to an election.

Mass mailing means over two hundred (200) substantially similar pieces of mail, but does not include a form letter or other mail which is sent in response to an unsolicited request, letter or other inquiry.

No candidate or committee shall send a mass mailing unless the name, address, and city of the candidate or committee are shown on the outside of each piece of mail in the mass mailing and on at least one of the inserts included within each piece of mail of the mailing in no less than 6-point type which shall be in a color or print which contrasts with the background so as to be easily legible. A post office box may be stated in lieu of a street address if the organization's address is a matter of public record with the Secretary of State.

(b) If the sender of the mass mailing is a single candidate or committee, the name, street address and city of the candidate or committee need only be shown on the outside of each piece of mail.
(c) If the sender of a mass mailing is a controlled committee, the name of the person controlling the committee shall be included in addition to the information required.

No newsletter or other mass mailing shall be sent at public expense.

Government Code §82041.5, §84305, §89001

Note: If you are planning any type of mass mailing, please contact the post office in advance for specific postal regulations.

FREQUENTLY ASKED QUESTIONS BY CANDIDATES

Can I use my credit card to pay my filing fee, purchase voter information material, or to pay my candidate statement of qualifications fee?
Yes. Official Payments Corporation, Trinity County’s credit card vendor, charges a service fee to use this service, separate from the County fees.

How soon will a list of qualified candidates be available after the close of the nomination period?
The nomination period ends on the 88th day prior to the election or the 83rd day prior to the election if there is an extension to the nomination filing period. A list of candidates will be prepared within the following days, and should be available for distribution within approximately one week.

If I submit a voluntary candidate statement of qualifications and I change my mind, may I withdraw the statement and receive a refund?
The candidate statement may be withdrawn and refunded, but not changed, during the period for filing nomination papers and until 5:00 p.m. on the next business day after the close of the nomination period. After this period your statement cannot be withdrawn nor a refund given.

May my spouse, relative, friend or campaign manager pick up nomination papers for me? All forms must be picked up by the candidate in person or by a candidate’s representative with specific written authorization, signed by the candidate. However, because there is so much information to be given, it is strongly recommended that the candidate appear in person.

How long will it take to complete the Candidate papers in the Election’s office?
Plan to spend up to 60 minutes in the Election’s office filling out the candidate papers.

If I am unable to complete and file my campaign disclosure statement by the filing deadline, may I obtain an extension and will I be fined?
NO and POSSIBLY. There is NO provision in the Political Reform Act that permits any filing officer to grant an extension of a filing deadline. You could POSSIBLY be fined as statements that are filed late are subject to a fine of $10 per day until the statement is filed.

Can I obtain election night results on the Internet?
YES. You may obtain information regarding polling places and election results by visiting our website which is at www.trinitycounty.org/Elections.

Why is there so much paperwork involved in becoming a candidate?
Election laws specify the documents required, as well as form, format, filing dates, etc. The filing requirements are not discretionary.

Do I need to make an appointment to file my Candidate paperwork?
YES, this will allow you to have the uninterrupted attention of the Election’s office staff.
