NOTE - All arguments concerning measures filed pursuant to Div. 9 (§9000-9600), Elections Code, shall be accompanied by this form, signed by each author of the argument

If the argument or rebuttal is being signed by a principal officer on behalf of an association that is supporting or opposing the measure, the name of the association will appear on the first line, followed by the principal officer's name and title on the second line as the example illustrates:

Argument in Favor of Measure I

Vote Yes on Measure I to ensure quality education and modern facilities for College of the Redwoods students.

College of the Redwoods serves Del Norte, Humboldt, and Trinity counties, playing a crucial role by providing affordable education for lower and middle-income students who cannot bear the high costs of university education. Measure I ensures these students continue to have access to quality education and career opportunities.

Our local college supports students pursuing a wide array of subjects for personal, professional, and academic enrichment. Despite its success, College of the Redwoods requires significant renovations to meet modern standards.

Measure I will:

- **Replace leaking roofs and repair aging plumbing, gas, electrical and sewer lines** to protect facilities/ classrooms and ensure safe learning environments for all students and staff while also rebuilding old/ inadequate student housing.
- **Upgrade educational and training facilities for nursing and other public health fields, including construction of a new healthcare training facility in Del Norte County-** ensuring our future healthcare professionals have the modern tools and spaces they need to succeed.
- **Improve vocational classrooms, labs, and technology training programs** to better prepare students for well-paying jobs in today's competitive economy while also making College of the Redwoods a top choice for excellent educators.

Measure I ensures strict fiscal accountability:

- **Independent citizens' oversight, public disclosure, and annual audits** to ensure all funds are used only for voter-approved projects.
- **Local control over all funds** raised, ensuring that dollars are spent on local projects and not taken by the state or used for salaries or pensions for administrators, faculty or staff.

Your YES vote on Measure I will address urgent repairs and safety upgrades, ensuring earthquake safety and modernizing outdated systems. Supporting our college is a wise investment; many local nurses, firefighters, and law enforcement personnel receive their training at College of the Redwoods.
