

2012-2013 Consolidated Grand Jury Report

The 2012-13 Grand Jury had the great good fortune to have Joanne Guernette, PhD as one of its members. Joanne served on the 2011-12 Grand Jury and became an ardent supporter of the important work that civil grand juries perform on behalf of the citizens of Trinity County. As a second-term grand jury member and a consummate professional, Joanne became one of my mentors and a valued advisor to all of her colleagues. Her untimely death left us all in shock and at a loss, but her passing gave us all renewed purpose to carry on the good work that she knew we would perform. So we dedicated the second half of our year of service and this final report of the 2012-13 Grand Jury to the memory of a dear friend and colleague – a believer in the collective good that comes from working together to make Trinity County a better place to live.

Most sincerely

Patrick M. Frost, Foreperson

2012-13 Trinity County Grand Jury
