TRINITY COUNTY
TRANSITIONAL and EMERGENCY HOUSING GRANT GUIDELINES AND INSTRUCTIONS

Child Welfare Services Improvement activities are funded by the California Department of Social Services to prevent and reduce child abuse and neglect. Funding to address the following issue is available to non-profit agencies.

I. **Purpose:**

The provision of safe and stable housing is critical to assuring the safety of children and provides an environment that allows families the opportunity to move toward self-sufficiency. Many of the families we serve need assistance in transitioning from homelessness to safe and stable housing.

The transitional and emergency housing provided under this grant is intended to be transitional in nature and is intended to meet the families shelter needs until permanent housing is established. Examples of types of transitional and emergency housing include but are not limited to the use of travel trailers or mobile homes.

The Transitional Housing Grant shall be used to develop, implement, operate, expand and enhance (will they have time to enhance and expand) a program to provide transitional and emergency housing and support services for families with an open Child Protective Services case in Trinity County and/or Foster Youth transitioning out of care. This program focuses on the goals and objectives of Child Welfare Services Improvement Activities. For information on CWS Improvement Activities, please see [http://www.dss.cahwnet.gov/cdssweb](http://www.dss.cahwnet.gov/cdssweb).

1. To emphasize and increase family strengths, work with the entire family to promote self-determination and self-sufficiency and provide opportunities for the family to participate in personal, program and community improvement.
2. To promote improving the health, parenting skills and social integration of families.
3. To coordinate with other prevention-focused programs to avoid duplication of services to families and children.

STANDARD FORM PERSONAL SERVICES CONTRACT
COUNTY OF TRINITY (SAMPLE)

THIS AGREEMENT is made and entered into this ___ day of _____, 200_, by and between the COUNTY OF TRINITY, hereinafter referred to as "County," and __________, hereinafter referred to as "Contractor".

RECITALS:
WHEREAS, there is a need for a program to provide (PROGRAM/ACTIVITY) for residents of Trinity County; and
WHEREAS, County receives an allocation from the California Department of Social Services which may be used for these services; and
WHEREAS, County wishes to retain an agency to provide (PROGRAM/SERVICES) to residents of Trinity County, who are referred by Trinity County Health and Human Services Department; and
WHEREAS, Contractor warrants that it is qualified and agreeable to render the aforesaid services.

NOW, THEREFORE, for and in consideration of the agreement made, and the payments to be made by County, the parties agree to the following:

I. **SCOPE OF SERVICES**: Contractor agrees to provide all of the services described in Exhibit "A" attached hereto and by this reference made a part hereof.

II. **ADDITIONAL SERVICES**: The County may desire services to be performed which are relevant to this contract or services but have not been included in the scope of the services listed in Paragraph I above and Contractor agrees to perform said services upon the written request of County. These additional services could include, but are not limited to, any of the following:
   A. Serving as an expert witness for the County in any litigation or other proceedings involving the project or services.
   B. Services of the same nature as provided herein which are required as a result of events unforeseen on the date of this contract.

III. **COUNTY FURNISHED SERVICES**: The County agrees to:
   A. Guarantee access to and make provisions for the Contractor to enter upon public and private lands as required to perform their work.
   B. Make available to Contractor those services, supplies, equipment and staff that are normally provided for the services required by the type of services rendered by Contractor and as set forth in Exhibit A.
   C. Make available all pertinent data and records for review.

IV. **FEES**: The fees for furnishing services under this Contract shall be based on the rate schedule which is attached hereto as Exhibit "B" and by this reference incorporated herein. Said fees shall remain in effect for the entire term of this contract.
V. **MAXIMUM COST TO COUNTY:** Notwithstanding any other provision of this contract, in no event will the cost to County for the services to be provided herein exceed the maximum sum of $____, including direct non-salary expenses.

VI. **PAYMENT:** The fees for services under this Contract shall be due each quarter within 30 calendar days after receipt by County of an invoice covering the service(s) rendered to date.

With respect to any additional services provided under this Contract as specified in paragraph II hereof, Contractor shall not be paid unless Contractor has received written authorization from County for the additional services prior to incurring the costs associated therewith. Said additional services shall be charged at the rates set forth on Exhibit "B".

Invoices or applications for payment to the County shall be detailed and shall contain full documentation of all work performed and all reimbursable expenses incurred. Where the scope of work on the contract is divided into various tasks, invoices shall detail the related expenditures accordingly. Labor expenditures need documentation to support time, subsistence, travel and field expenses. No expense will be reimbursed without adequate documentation. This documentation will include, but not be limited to, receipts for material purchases, rental equipment and subcontractor work.

Notwithstanding any other provision herein, payment may be delayed, without penalty, for any period during which the State or Federal Government has delayed distribution of funds which are intended to be used by the County for funding payment to contractor.

VII. **CONTRACT PERFORMANCE TIME:** All the work required by this contract shall be completed and ready for acceptance no later than June 30, 2006.

VIII. **INSURANCE:** The Contractor shall maintain a commercial general liability insurance policy in the amount of $1,000,000. Where the services to be provided under this contract involve or require the use of any type of vehicle by Contractor in order to perform said services, Contractor shall also provide comprehensive business or commercial automobile liability coverage including non-owned and hired automobile liability in the amount of $300,000. Said policies shall remain in force through the life of this Contract and shall be payable on a "per occurrence" basis unless County specifically consents to a "claims made" basis. The County shall be named as an insured on the commercial general liability policy. The insurer shall supply a certificate of insurance and endorsements signed by the insurer evidencing such insurance to County prior to commencement of work, and said certificate and endorsement shall provide for 30 day advance notice to County of any termination or reduction in coverage.

In addition, Contractor may be required to carry errors and omissions insurance or professional liability or malpractice insurance. If such insurance is required, it shall be in a form approved by the County.
IX. **WORKER’S COMPENSATION:** The Contractor acknowledges that it is aware of the provisions of the Labor Code of the State of California which requires every employer to be insured against liability for worker's compensation or to undertake self-insurance in accordance with the provisions of that Code and it certifies that it will comply with such provisions before commencing the performance of the work of this Contract. A copy of the certificates evidencing such insurance shall be provided to County prior to commencement of work. A certificate of insurance in the form attached hereto as Exhibit C shall be issued to the County.

X. **NONDISCRIMINATORY EMPLOYMENT:** In connection with the execution of this Contract, the Contractor shall not discriminate against any employee or applicant for employment because of race, color, religion, age, sex, national origin, political affiliation, ancestry, marital status, disability or sexual orientation. This policy does not require the employment of unqualified persons.

XI. **INTEREST OF PUBLIC OFFICIALS:** No officer, agent or employee of the County during their tenure or for one year thereafter shall have any interest, direct or indirect, in this Contract or the proceeds thereof.

XII. **SUBCONTRACTING AND ASSIGNMENT:** The rights, responsibilities and duties under this Contract are personal to the Contractor and may not be subcontracted, transferred or assigned without the express prior written consent of the County.

XIII. **LICENSING AND PERMITS:** The Contractor shall maintain the appropriate licenses throughout the life of this Contract. Contractor shall also obtain any and all permits which might be required by the work to be performed herein.

XIV. **BOOKS OF RECORD AND AUDIT PROVISION:** Contractor shall maintain on a current basis complete books and records relating to this contract. Such records shall include, but not be limited to, documents supporting all bids, and all expenditures for which any reimbursement is sought. The books and records shall be original entry books. In addition, Contractor shall maintain detailed payroll records including all subsistence, travel and field expenses, and canceled checks, receipts and invoices for all items for which any reimbursement is sought. These documents and records shall be retained for at least five years from the completion of this contract. Contractor will permit County to audit all books, accounts or records relating to this contract or all books, accounts or records of any business entities controlled by Contractor who participated in this contract in any way. Any audit may be conducted on Contractor's premises or, at County's option, Contractor shall provide all books and records within a maximum of 15 days upon receipt of written notice from County. Contractor shall refund any moneys erroneously charged. If County ascertains that it has been billed erroneously by Contractor for an amount equaling 5% or more of the original bid, Contractor shall be liable for the costs of the audit in addition to any other penalty to be imposed. This paragraph applies to any contract which provides for reimbursement of expenses.
XV. **TERM OF AGREEMENT:** This Agreement shall commence on __________ and shall terminate on ________________. Time is of the essence with respect to this Contract.

XVI. **TITLE:** It is understood that any and all documents, information, computer disk, and reports concerning this project prepared by and/or submitted to the Contractor, shall be the property of the County. The Contractor may retain reproducible copies of drawings and copies of other documents. In the event of the termination of this Contract, for any reason whatever, Contractor shall promptly turn over all information, writing, computer disk, and documents to County without exception or reservation. Contractor shall transfer from computer hard drive to disk any information or documents stored on hard drive and provide County with said disk.

XVII. **TERMINATION:**

A. If the Contractor fails to provide in any manner the services required under this Contract or otherwise fails to comply with the terms of this Contract or violates any ordinance, regulation or other law which applies to its performance herein, the County may terminate this Contract by giving five calendar days written notice to the party involved.

B. The Contractor shall be excused for failure to perform services herein if such services are prevented by acts of God, strikes, labor disputes or other forces over which the Contractor has no control.

C. Either party hereto may terminate this Contract for any reason by giving thirty (30) calendar days written notice to the other parties. Notice of Termination shall be by written notice to the other parties and be sent by registered mail.

D. In the event of termination not the fault of the Contractor, the Contractor shall be paid for services performed to the date of termination in accordance with the terms of this Contract.

XVIII. **RELATIONSHIP BETWEEN THE PARTIES:** It is expressly understood that in the performances of the services herein, the Contractor, and the agents and employees thereof, shall act in an independent capacity and as an independent contractor and not as officers, employees or agents of the County.

XIX. **AMENDMENT:** This Contract may be amended or modified only by written agreement of all parties.

XX. **ASSIGNMENT OF PERSONNEL:** The Contractor shall not substitute any personnel for those specifically named in its proposal unless personnel with substantially equal or better qualifications and experience are provided, acceptable to County, as evidenced in writing.

XXI. **JURISDICTION AND VENUE:** This Contract shall be construed in accordance with the laws of the State of California and the parties hereto agree that venue shall be in Trinity County, California.
XXII. **INDEMNIFICATION:** Contractor agrees to indemnify and hold County harmless from any and all liabilities which it may incur as a consequence of this Contract and from any and all claims and losses to anyone who may be injured or damaged by reason of Contractor’s willful misconduct or negligent performance of this Contract.
