TO: Members of the Trinity County Planning Commission

Subject: Variance Request and CCCL License: Kamila Hampson and Dorian Bulat: Parcel No. 019-680-000

To Whom this may concern,

I Jimmy Newsom, a residence of the Wildwood Community (Address: 3841 Wildwood Road, 96076) give my support to both Kamila Hampson and Dorian Bulat in their efforts to obtain a Commercial Cannabis Cultivation License (CCCL) from the County and run their "Small Outdoor" Commercial Grow.

I am not in general supportive of such businesses in my community due to the dis-regard of most growers in our area disrespecting their neighbors and environment with excess noise and trash being left in and around their grow operations. I have gotten to know both Kamila and Dorian very well and know they have the up-most respect for their neighbors and the environment and will do everything they can to run a clean business with minimal negative impact to their community and their environment. For this I lend my support of their CCCL.

Sincerely,

A handwritten signature in black ink, appearing to read 'Jimmy Newsom', with a long horizontal flourish extending to the right.
