Received two budget requests, status quo, DA office to continue AB109 population & SO request for the Correction Officer and Sheriff's Deputy, have not received from HRN. Trisha Alberg stating that she didn't know she needed to send a request, needs to send Budget Request to Robi.

### **Item #4 – Overview of Current Budget**

Robi does not have all numbers needed to provide accurate numbers for the upcoming year. Probation Office will be requesting status quo with assumptions based on current salaries, staffing, and step increases coming. Robi was only able to base on the benefit levels from last year, as we have not received the current budget packet as of yet. The budget provided in the packet was based on the previous year. This year ask for approval of the budget with the credo that it is amended based on the new levels when the numbers are provided.

Motion to adopt the 2022/2023 proposed budget with increases based on the benefit costs for the 2022/2023 that will be in the County Budget package.

Motion made by Saxon. Motion seconded by Kuhns. None oppose. Motion carries
