Trinity County Coronavirus (COVID-19) Health Advisory

TRINITY COUNTY –Trinity County Public Health Branch (TCPHB) has received 100 doses of Janssen (Johnson & Johnson) Vaccine to be distributed at the TCPHB April 2, 2021 Point of Distribution Site (PODS).

Those wishing to obtain vaccination with Janssen vaccine and are within the eligible sectors per MyTurn will register at <https://myturn.ca.gov/> or call the CA COVID-19 Hotline at 1-833-422-4255 (M-F 8AM-8PM, Saturday -Sunday 8AM-5PM) for assistance.

Not Eligible for Vaccination at TCPHB Mass Vax PODS

For safety reasons we will not be vaccinating persons that have any of the following at our COVID-19 Mass Vax PODS:

- Persons presenting for a second dose who had an allergic reaction to their first dose of Moderna COVID-19 that resulted in itching, hives, chest tightening, swollen tongue, difficulty breathing, or anxiety
- Persons presenting for a first dose that have a history of allergic reactions to injected or ingested substances that cause hives and/or shortness of breath, swollen tongue, or chest tightening. Ingested or injected substances can include food, medication, bee stings, etc.
- Pregnant women

These persons should seek vaccine from their medical provider when it becomes available. COVID-19 Vaccine cannot be given within 14 days of administration of ANY vaccine. Persons must wait until 14 days have passed since receiving ANY vaccine before COVID-19 vaccine can be administered.
