Serving Trinity County Since 1975

Because of the COVID-19 the Trinity County food bank has taken some drastic safety measures to do our utmost to ensure the well being of all the citizens we serve.

We will be doing drive-through distributions throughout the county, and will be giving out April and May's commodities, on the first week of April so there won't be another commodities distribution until the

first week of June so please use your food wisely.

We will provide further updates as to future delivery distribution dates.

Only one senior box will be given because we will not have enough on hand to distribute for both months. Senior boxes will be distributed in May.

Please be patient with us, we are trying our best to keep the citizens of Trinity County safe and prevent a widespread outbreak of the COVID-19.
