Trinity County Coronavirus (COVID-19) Data and Communications

TRINITY COUNTY – October 20, 2020: Trinity County Public Health Branch (TCPHB) continues to be committed to timely communication and public facing data that is designed to inform our communities. We will continue to provide press releases to ensure our residents have the information they need to protect themselves and their communities.

The COVID-19 Dashboard is current as of 9:00 am October 20, 2020 and can be located at <https://www.trinitycounty.org/COVID-19>. This will be the primary source of COVID-19 data. Moving forward the Dashboard will be updated Monday thru Friday by 3:00 pm each day. Dashboard updates will not occur on the weekend; however, the public will be informed if an issue arises over the weekend that impacts public health.

Please submit any questions or concerns to the Frequently Asked Questions tab located at <https://www.trinitycounty.org/COVID-19/Frequently-Asked-Questions>.

We encourage you to utilize this resource to ensure your questions and concerns are responded to by our TCPHB.
