### Trinity County Coronavirus (COVID-19) Health Advisory

TRINITY COUNTY – The Western States Scientific and Safety Review Workgroup (WSSSRW) is recommending Pfizer, Moderna, and Janssen COVID-19 booster doses with the following guidelines:

**A Pfizer or Moderna** booster dose is recommended if you:

- Received your second dose at least six months ago, and
- Are 65 or older, or
- Age 18+ who live in long-term care settings, or
- Age 18+ who have underlying medical conditions, or
- Age 18+ who are at increased risk due to social inequity, or
- Age 18+ who work or live in high-risk settings

**A Johnson & Johnson** booster dose is recommended if you:

- Received your first dose of the Johnson & Johnson vaccine at least 2 months ago, and
- Are 18 or older

#### **Heterologous Booster Dose (Mix and Match)**

A single booster dose of any of the available COVID-19 vaccines may be administered as a mix and match (heterologous) booster dose following completion of primary vaccination with a different available COVID-19 vaccine. The eligible populations and dosing interval for a mix and match booster dose are the same as those authorized for a booster dose of the vaccine used for primary vaccination.
