TEMPORARY OFFICE CLOSURE & LIMITED SERVICES

This is an official notification from the County of Trinity Department of Health and Human Services (HHS). Effective March 20, 2020, in efforts to minimize unnecessary contact and exposure to the novel coronavirus, also known as COVID-19, HHS buildings will be closed to the public. **Essential services will continue by appointment only** until further notice.

This measure was decided after careful consideration and out of the abundance of caution on how to best protect HHS staff as well as the public, while continuing to offer supportive services. We ask for your patience during this time as we navigate through this pandemic.
