Introduction

Trinity County rests in the mountain range located approximately 45 miles west of Redding, Ca. The county seat is in Weaverville, where most of the county infrastructure rests. There are also facilities in the town of Hayfork that serve Trinity County. The population of Trinity County is currently at approximately 14,000 residents.

The County of Trinity, CA is seeking bids from qualified vendors for the supply, installation, and demolition of outdated cabling for data and phone connectivity.

Scope of Project

Trinity County Probation Department

Location: 333 Tom Bell Rd, Weaverville, CA 96093

We are asking for bids to correct our current network cabling and upgrade where needed. This location currently has some CAT, CAT 3, CAT 5, and CAT 6 cabling throughout the building in the map below. All cables should be CAT5e or greater (for phone connections to server rack) and CAT6 or higher (For Data connections to server rack).

The ceiling is 8' tall, drop ceiling throughout the work area.

Two 48 port Cat6 patch panels will need to be installed in the server rack where cables are to be terminated and labeled accordingly.

Each drop location will have a series of (4) cables each. (3) Three ports for Data (CAT6 only) and (1) one port for Phone/ Fax (Cat5e or higher only) when complete, unless otherwise noted.

There are a total of 27 cables identified, demarked at each "P", "F", "D" location in the map. Some of these locations may already have a CAT5e or higher termination. These can stay as long as CAT5e is allocated for phone only and CAT6 is allocated for DATA.

New construction drops shall be as close to existing drops in demarcated locations as practical.

Demolition: There are currently two cables that needs to be repaired /demolished/ replaced. This is located in the floor inside the Juvenile Hall area. Other cables that are not identified herein, but fall outside the above requirements shall be replaced to comply with above requirements.

provide all books and records within a maximum of 15 calendar days upon receipt of written notice from County.

Contractor shall promptly refund any moneys erroneously charged. If County ascertains that it has been billed erroneously by Contractor for an amount equaling 5% or more of the original bid, Contractor shall be liable for the costs of the audit in addition to any other penalty to be imposed.
